This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page, and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at allwell.sunflowerhealthplan.com.

You are eligible to enroll in Allwell Dual Medicare (HMO D-SNP) if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen, or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Allwell Dual Medicare (HMO D-SNP) service area counties). Our service area includes the following counties in Kansas: Allen, Bourbon, Butler, Cherokee, Crawford, Douglas, Harvey, Johnson, Leavenworth, Linn, Miami, Sedgwick, Sumner, Woodson and Wyandotte.
- You do not have End-Stage Renal Disease (ESRD). (Exceptions may apply for individuals who develop ESRD while enrolled in an Allwell commercial or group health plan, or a Medicaid plan.)
- For Allwell Dual Medicare (HMO D-SNP), you must also be enrolled in the Kansas Medicaid plan. Premiums, copays, coinsurance, and deductibles may vary based on your Medicaid eligibility category and/or the level of Extra Help you receive. Your Part B premium is paid by the State of Kansas for full-dual enrollees. Please contact the plan for further details.

The Allwell Dual Medicare (HMO D-SNP) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit allwell.sunflowerhealthplan.com. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor Allwell Dual Medicare (HMO D-SNP) will be responsible for the costs.)

This Allwell Dual Medicare (HMO D-SNP) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source.

Part D Prescription Drugs

Deductible Stage	<p>\$245 deductible for Part D prescription drugs (applies to drugs on Tiers 2, 3, 4 and 5).</p> <p>The Deductible Stage is the first payment stage for your drug coverage. This stage begins when you fill your first prescription in the year. When you are in this payment stage, you must pay the full cost of your Part D drugs until you reach the plan's deductible amount.</p> <p>Once you have paid the plan's deductible amount for your Part D drugs, you leave the Deductible Stage and move on to the next payment stage (Initial Coverage Stage). If you receive "Extra Help" to pay for your prescription drugs, your deductible amount will be either \$0 or \$89 depending on the level of "Extra Help" you receive.</p>	
Initial Coverage Stage <i>(after you pay your Part D deductible, if applicable)</i>	<p>After you have met your deductible (if applicable), the plan pays its share of the cost of your drugs and you pay your share of the cost. You generally stay in this stage until the amount of your year-to-date "total drug costs" reaches \$4,020. "Total drug costs" is the total of all payments made for your covered Part D drugs. It includes what the plan pays and what you pay. Once your "total drug costs" reach \$4,020 you move to the next payment stage (Coverage Gap Stage).</p>

Part D Prescription Drugs

Coverage Gap Stage	<p>During this payment stage, you receive a 70% manufacturer's discount on covered brand name drugs and the plan will cover another 5%, so you will pay 25% of the negotiated price and a portion of the dispensing fee on brand-name drugs. In addition the plan will pay 75% and you pay 25% for generic drugs. (The amount paid by the plan does not count towards your out-of-pocket costs).</p> <p>You generally stay in this stage until the amount of your year-to-date "out-of-pocket costs" reaches \$6,350. "Out of pocket costs" includes what you pay when you fill or refill a prescription for a covered Part D drug and payments made for your drugs by any of the following programs or organizations: "Extra Help" from Medicare; Medicare's Coverage Gap Discount Program; Indian Health Service; AIDS drug assistance programs; most charities; and most State Pharmaceutical Assistance Programs (SPAPs). Once your "out-of-pocket costs" reach \$6,350, you move to the next payment stage (Catastrophic Coverage Stage).</p> <p>If you qualify for "Extra Help" this stage doesn't apply-If you are not eligible for "Extra Help", call the plan or refer to the Evidence of Coverage (EOC), Chapter 6, for outpatient prescription drug cost-sharing information.</p>
Catastrophic Stage	<p>During this payment stage, the plan pays most of the cost for your covered drugs. For each prescription, you pay whichever of these is greater: a payment equal to 5% coinsurance of the drug, or a copayment (\$3.60 for a generic drug or a drug that is treated like a generic, \$8.95 for all other drugs).</p>
Important Info:	<p>Cost-sharing may change depending on the level of help you receive, the pharmacy you choose (such as Standard Retail, Mail Order, Long-Term Care, or Home Infusion) and when you enter another of the four stages of the Part D benefit.</p> <p>For more information about the costs for Long-Term Supply, Home Infusion, or additional pharmacy-specific cost-sharing and the stages of the benefit, please call us or access our EOC online.</p> <p>Low income subsidy (LIS) is extra help you receive from Medicare.
